### **DORMITORY REGULATIONS**

The purpose of the following regulations is to provide a positive living environment for all of our students. Many rooms are shared by multiple students, and the fulfillment of these rules will help create a proper and menschlich setting. We appreciate your cooperation in maintaining the Yeshiva's standards.

#### **Cleanliness**

All High School and Beis Medrash students are expected to maintain their rooms in a respectable fashion.

1. Beds are to be made each morning.
2. The floor of the room should be kept clear. Large suitcases should be placed in the storage rooms provided by the school, or underneath the beds.
3. All clothing should be placed in the closets or drawers. No clothing should be hanging on chairs or doors, laying on beds, or sticking out of the drawers.
4. We require all the boys to purchase a laundry bag to ensure a healthy living environment.
5. The common areas are reserved for the recreational use of all the students, and should not be used for storage of clothing or other personal items.

#### **Food – Cooking**

1. All food products are to be kept in the cabinets provided in the dorm's two kitchen areas.
2. In the interest of safety, there is to be no cooking on the premises without permission of the Rabbis.

#### **Safety Measures**

1. Students may not light fires for any purpose, in or around the dormitory – *including candles, lighters, matches or cigarettes.*
2. Students are not permitted on the roof.
3. Students are NOT allowed to leave the dormitory without permission from the **Rabbis**.
4. Gambling or alcohol of any kind is strictly prohibited.

#### **Personal Responsibility**

If damage to the dormitory, school furniture or building is caused by a student, the student will be responsible for the cost of the damage.

I have read the PTI Dormitory Regulations and agree to abide by the above rules. I realize that if I should fail to follow these guidelines I could be subject to a fine, suspension or expulsion.
